Paper 1

*This markscheme is **confidential** and for the exclusive use of examiners in this examination session.*

*It is the property of the International Baccalaureate and must **not** be reproduced or distributed to any other person without the authorization of IBCA.*

SECTION A**[35 marks]**

Since the rules forbid half marks it is important to find a way to distinguish between more and less serious errors. Otherwise, in this kind of exercise, it can become difficult to reflect the range of performance. The scheme below divides the passage into short sections assigned **[2 marks]**, **[3 marks]** or **[4 marks]**.

In the case of three-mark sections, assign full marks to correct answers or answers with no more than one minor error (tense, number *etc.*). Two or three minor errors or one major error should be awarded **[2 marks]**. For **[1 mark]**, candidates should have no more than two major errors, or four minor errors or a combination of one major error and two minor errors.

In the case of two-mark sections, assign full marks to correct answers or answers with no more than one minor error (tense, number *etc.*). Two or three minor errors or one major error should be awarded **[1 mark]**.

I do hope that this will seem fair and reasonably easy to apply. Please mark the boundaries on the scripts you mark, and please put your individual marks in the margin of the scripts (not in the candidates' work), with the total (circled) at the end.
